Dear Dr. Veksler,

I hope you are doing well.

I am writing this email with much excitement to share that I have been selected as one of the Phi Kappa Phi (PKP) Fellows for this year. I will be one of the 40 recipients nationwide to receive \$8500 as a PKP Fellow. I was shared this news by our Caldwell chapter this afternoon and was told to keep it confidential until the national office publicizes the winner in late July. But I wanted to let you know of the news as soon as I heard about it. I kindly request you to keep it confidential until the national office announces it in late July.

Thank you would be light weighted words to express my immense gratitude towards you for all the support, guidance, and care you have shown me throughout my undergraduate journey at Caldwell. It has made me hopeful, innovative, and given me the motivation to keep moving on even during the difficult times. You have been instrumental in my achievements at Caldwell and beyond. This fellowship comes in at a difficult time for my family back home. I am sincerely thankful for everything, Dr. Veksler, including your time and support for this fellowship award.

Have a great summer ahead!

Sincerely,
