Dear Dr. Veksler,

I want to sincerely thank you for your immense support and encouragement throughout our journey to HACKMIT 2025. Being selected as one of the Top 10 finalists at such a prestigious event was an unforgettable experience, and it would not have been possible without your guidance and belief in us.

The experience gave us not only technical growth but also meaningful connections with sponsors and mentors who inspired us to aim even higher. I'm truly grateful to represent Caldwell with your backing and look forward to bringing these lessons back to our community.

Our team is excited to continue developing our project further. I would greatly appreciate the opportunity to meet with you to discuss possible next steps, your feedback, and ways we can refine and expand on what we've built so far.

Please let me know your availability this week or next, and I'll be happy to adjust to your schedule.

Thank you for your continued support and guidance.

Best regards,
