Dear Professor Veksler,

I hope you are doing well. I wanted to thank you for serving as my reference. I am happy to share that I have been offered the Information Technology Internship with the New Jersey Courts. For the internship, I am required to have a faculty advisor from the university. I was wondering if you would be willing to be my faculty advisor during the internship. I would greatly appreciate your support and guidance throughout the internship experience.

Thank you again for your help and for supporting me throughout this process. I look forward to hearing from you.

Best regards,

Richmond Bioh Nyantakyi
