Hello Professor V,

I just wanted to thank you for everything you did by for me this semester and for helping me pass the class. I know I struggled at points and probably made things harder than they needed to be, but I really appreciate the patience and the chances you gave me to improve. Your help honestly made a big difference for me and I'm grateful you didn't just give up on me when things got difficult. I learned a lot from your class and I appreciate all the time and effort you put into helping me this semester. Thank you again and I hope you have a good rest of your semester.
