In appreciation for the role that you play for our students....

Davenport, Robin

to

Dear CU Professors, Staff and Coaches:

Last week Caldwell University hosted the IMALIVE Mental Health Fair, an interactive and educational event that raises awa

On their evaluations, students were asked which faculty or staff members they would trust and contact for help if they w

You are getting this email because **YOU** were chosen by at least one of our students as someone they would trust and asl

If you would like to know more about the event, or other helpful ways to support our students, please don't hesitate to r

I join with our students in being very grateful for your presence on campus.

Sincerely,

Robin
